1. 至微軟網站 <https://office.com/> → 登入帳號

The screenshot shows a web browser window with the address bar displaying <https://office.com/>. The page title is "登入您的帳戶" (Sign in your account). The main content area features the Microsoft logo and the word "登入" (Sign in). Below this is a text input field labeled "電子郵件或電話" (Email or phone number), which is highlighted with a red rectangular border. Underneath the input field is a link that says "無法存取您的帳戶嗎?" (Can't access your account?). At the bottom of the main content area are two buttons: "返回" (Go back) and "下一步" (Next step). Below the main content area is a section titled "登入選項" (Sign in options) with a magnifying glass icon. At the very bottom of the page, there are links for "使用規定" (Terms of use), "隱私權與 Cookie" (Privacy and cookies), and a menu icon.
