1. 至微軟網站 <https://office.com/> → 登入帳號

The screenshot shows a web browser window with the address bar displaying <https://office.com/>. The page content is the Microsoft login interface. At the top, there is a Microsoft logo and the word "Microsoft". Below it, the Chinese characters "登入" (Login) are displayed. A red rectangular box highlights the input field labeled "電子郵件或電話" (Email or phone). Below this field, there is a link that says "無法存取您的帳戶嗎?" (Can't access your account?). At the bottom of the login box, there are two buttons: "返回" (Back) and "下一步" (Next). Below the login box, there is a section titled "登入選項" (Login options) with a magnifying glass icon. At the very bottom of the page, there are links for "使用規定" (Terms of use), "隱私權與 Cookie" (Privacy and Cookies), and a three-dot menu.
